Forecast for Thursday 27 Jul 2023

Weather: The morning will see a lot of cloud with outbreaks of rain, although this becoming less extensive and lighter later in the morning. Dry and mostly cloudy in the afternoon although a little drizzle lingering across some coastal ranges.

Chance of cloud-free hill tops above 800m: Little chance in the morning, best chance will be in the afternoon well inland such as eastern Argyll, southern Lochaber and across The Trossachs.

Low Cloud and visibility: Poor visibility in extensive low cloud down to 300 to 600 metres, and down to 200 metres along exposed coastal ranges. Some improvement possible in the afternoon well inland with cloud lifting and becoming somewhat more broken at 700 to 1000 metres.
